I. PURPOSE

The purpose of this policy is to emphasize the importance of the policy-making role of the school board and provide the means for it to continue to be an ongoing effort.

II. GENERAL STATEMENT OF POLICY

Formal guidelines are necessary to ensure the school community that the school system responds to its mission and operates in an effective, efficient and consistent manner. A set of written policy statements shall be maintained and modified as needed. Policies should define the desire and intent of the school board and should be in a form which is sufficiently explicit to guide administrative action.

III. DEVELOPMENT OF POLICY

- A. The school board has jurisdiction to legislate policy for the school district with the force and effect of law. School board policy provides the general direction as to what the school board wishes to accomplish while delegating implementation of policy to the administration.
- B. The school board's written policies provide guidelines and goals to the school community. The policies shall be the basis for the formulation of guidelines and directives by the administration. The school board shall determine the effectiveness of the policies by evaluating periodic reports from the administration.
- C. Policies may be proposed by a school board member, employee, student or resident of the school district. Proposed policies or ideas shall be submitted to the superintendent for review prior to possible placement on the school board agenda.

IV. ADOPTION OF POLICY

- A. The school board shall give notice of proposed policy changes or adoption of new policies by placing the item on the agenda of two school board meetings. The proposals shall be distributed and public comment will be allowed at the first meeting and up until the beginning of the second meeting where final school board action will be taken.
- B. The final action taken to adopt the proposed policy shall be approved by a simple majority vote of the school board at a subsequent meeting after the meetings at which public input was received. The policy will be effective on the later of the date of passage or the date stated in

A statement regarding the emergency and the need for immediate adoption of the policy shall be included in the minutes. The emergency policy shall expire within one year following the emergency action unless the policy adoption procedure stated above is followed and the policy is reaffirmed. The school board shall have discretion to determine what constitutes an emergency situation.
- D. If a policy is modified with minor changes that do not affect the substance of the policy or because of a legal change over which the school board has no control, the modified policy may be approved at one meeting at the discretion of the school board.

V. IMPLEMENTATION OF POLICY

- A. The superintendent shall be responsible for implementing school board policies, other than the policies that cover how the school board will operate. The superintendent shall develop any necessary administrative guidelines and directives to provide greater specificity and consistency in the process of implementation.
- B. School Board members will have access to the policy manual online. A manual will be available in the Superintendent's office and access available for reference purpose online to other interested persons.
- C. The superintendent, employees designated by the superintendent, and individual school board members shall be responsible for keeping the policy manuals current.
- D. The school board shall attempt to review policies at least once every four years. The superintendent shall be responsible for developing a system of periodic review. In addition, the School Board shall review the following policies annually: 410-Family and Medical Leave Policy; 413-Harassment and Violence; 414-Mandated Reporting of Child Neglect or Physical or Sexual Abuse; 415-Mandated Reporting of Maltreatment of Vulnerable Adults; 506-Student Discipline; 514-Bullying Prohibition; 522-Student Sex Non-discrimination; and 524-Internet Acceptable Use and Safety Policy; 616 – School District System Accountability; and 806 – Crisis Management Policy.
