WORLD OF OPPORTUNITY FOR EVERY LEARNER
Serving the Communities of Columbia Heights, Hilltop & Southern Fridley

OUR MISSION

Columbia Heights Public Schools **create worlds of opportunity for every learner** in partnership with supportive small-town communities by challenging all to discover their talents, unleash their potential and develop tools for lifelong success.

Creating College
and Career-Ready
GRADUATES

Dear neighbors and friends,

As we all prepare to start the 2017-18 school year by filling backpacks with school supplies and enjoying the last of the long summer days, I would like to take a moment to share with you some of the things we are looking forward to this year.

Students in grades 11 and 12 will be able to take college level courses for free, during the school day, right at Columbia Heights High School through the Early College Program. We are excited about our partnership with Anoka-Ramsey Community College, which is ranked among the Top 10 Community Colleges in the nation according to the Aspen Institute. Through the Early College Program, students will have access to a variety of Anoka-Ramsey courses.

The Columbia Heights High School Performing Arts Studio is a new learning space designed for students to learn about theater, dance, acting and performing. This year, high school students will be able to immerse themselves in the world of theater in this state of the art facility with new performing arts course offerings.

Personalized learning is expanding in Columbia Heights Public Schools. We are preparing students for the 21st Century through high-tech and high-quality course offerings. Students in grades 4-11 will be provided with their own laptop computer or tablet to use for research, creating projects and completing assignments. We are also looking forward to the many ways students will use virtual reality goggles – a teaching tool that lets students take virtual expeditions around the world, visit historic landmarks, explore the deep sea and even visit outer space.

In 2016-17, Columbia Heights Public Schools was awarded state funding to expand preschool for 4 year olds. Through this funding, families are able to take advantage of early learning opportunities free of charge. We are pleased to continue to offer this programming at each of our elementary schools where students benefit from academically rich instruction in a fun and caring atmosphere.

The AVID (Advancement Via Individual Determination) program has expanded to all of the schools. By incorporating AVID, K-12 students, teachers and families use strategies to prepare for success in college and careers. Part of the AVID system is a strong focus on academics, organization and a growth mindset that teaches all of us to persist through difficult challenges, knowing we can learn a lot from the bumps along the road. Columbia Heights Public Schools students learn life skills and core values such as persistence and courage in order to grapple with complex academic tasks.

Columbia Heights Public Schools students experience lessons that are designed for the 21st Century and beyond. Whether it is experiencing agriculture from seed to the table in the Blooming Heights Edible Schoolyard or bringing geography to life using technology and virtual reality applications, our scholars “see, do and learn” instead of “sit and get.”

The mission of Columbia Heights Public Schools is to create worlds of opportunity for every learner from Pre-Kindergarten to adults in Community Education and every age in between. We have a diverse community focused on collaboration, courage and innovation to provide students with the best education to prepare them for college and careers.

We invite you to learn more about Columbia Heights Public Schools whether it is attending one of the events listed in this calendar or volunteering in your neighborhood school. Columbia Heights Public Schools is where we all belong. Together, we can make the 2017-18 school year the best yet.

Heights Pride!

Kathy Kelly, Superintendent

VISION 2018

(What we intend to create)

- Academic excellence with access to flexible programming and options designed around student needs.
- An image of pride that attracts and retains students and families.
- All have a voice and place with differences being our assets.
- Innovative technology for engaged learning, effective communication and preparation for success.
- Community culture of collaborative partnerships.
- Best practices and resource management: “We do school well.”
- Irresistible employment with creative and collegial staff.

STRATEGIC DIRECTIONS

(Focus of our time and resources)

- Expand access and opportunities by turbo charging what works and redesigning what needs to be better.
- Innovate to close the achievement gap with accountability and efficiency.
- Know and honor who we are to build strong relationships.
- Acknowledge and address tensions and opportunities for employment and partnership between employees.
- “Tell our story,” brand development, reputation management, to increase partnership and enrollment.
- Remain fiscally responsible.

MISSION (Our core purpose)

Columbia Heights Public Schools **create worlds of opportunity for every learner** in partnership with supportive small-town communities by challenging all to discover their talents, unleash their potential and develop tools for lifelong success.

CORE VALUES (What drives our words and actions)

Community: It's about all of us, all of the time.

Excellence: To be our best, expect our best.

Collaboration: Working together for common goals.

Integrity: Honesty.

Respect: Honor who we are, accepting of our differences.

Courage: Facing challenges with hope and persistence.

Innovation: Finding new ways to excel.

A photograph of three young children, two girls and one boy, standing in a play kitchen. They are all wearing yellow polo shirts. The girl on the left is holding a doll with dark skin and curly hair. The girl in the middle is holding two dolls, one with dark skin and one with light skin. The boy on the right is holding a doll with light skin. In the background, there is a play kitchen with a microwave, a stove, and a refrigerator. On the wall, there are educational posters about food groups like 'Bread & Grains', 'Dairy', and 'Fruits & Vegetables'. There is also a poster about colors and a poster about a turtle.

Opportunities for the Littlest Scholars

Thanks to caring, licensed early childhood educators, even our littlest scholars are learning to be college- and career-ready. From dramatic play to structured group time, all early childhood programming is aligned to Minnesota Early Learning Standards to ensure success at any age.

The Writing's on the Wall at Highland Elementary

While the writing may not literally be on the wall, evidence of learning can be found around every turn. Whether it's the complexities of math or a drawing break to spark creativity, teachers at Highland use many methods of learning to bring out the very best in their students.

Taking it to the Court

Hylander success goes beyond the classroom – including the wrestling mat and swimming pool. The Boys Varsity Basketball team placed fourth in the 2017 State Tournament. Three wrestlers and one diver also competed in the state tournaments for their respective sports.

A photograph of two young men in an art classroom. The man on the left, with light brown hair and a goatee, wears a green ribbed sweater and smiles while looking at a colorful abstract artwork on the table. The man on the right, with dark hair, wears a black t-shirt and looks intently at the same artwork. The background shows a typical classroom setting with various art supplies and a bulletin board.

Our Hearts are in the Arts

From fine arts to performing arts, we take pride in every work of art created by our students. Johny Perez (class of 2017) received two 2016 Gold Key Minnesota Scholastic Art Awards. Thanks to great educators like CHHS Art Teacher Dane Hodges, our art programs are among the best in the state!

A large crowd of graduates in blue gowns and caps are celebrating at a graduation ceremony. Many caps are being thrown into the air, creating a dynamic scene. In the background, stadium bleachers are filled with spectators, and a large building with "HYLANDERS" written on it is visible. Tall stadium light towers stand against a clear blue sky.
